

# NSCC MEMBERSHIP RENEWAL FORM 2026

2026 Renewals are:

£42.00 – UK

£49.00 – Europe

£55.00 – Rest of the World

The Club is keen for all members to now use GoCardless or SumUp for subscription renewals and indeed other payments such as Club cars, since this is the most cost-efficient method for the Club. The Club is hoping to switch over to SumUp entirely in 2026 for all card payments.

If you are already signed up for your automatic renewal with us via GoCardless you do not need to take any action and your renewal will be automatically taken in December and every subsequent year unless you instruct otherwise.

If you wish to pay via the above, please confirm below advising you wish to pay this way, you just need to confirm with a simple yes or no that you are happy for your membership subscription to be paid this way, and Andy Smith will contact you and arrange payment. Obviously if you do not have an email and we do not have your email address on file or you simply do not wish to pay this way, you can still pay, as below for 2026 by cheque or as a last resort a Credit Card but please Andy Smith, who will then issue a SumUp invoice to avoid you providing credit card details via post/ email.

Please note that GoCardless currently applies to U.K members only and cannot be done for Europe or the rest of the World but SumUp can be used for all overseas members.

The implementation of GoCardless and SumUp as a method of payment means you are advised via email of an invoice from the NSCC of payment required and can securely enter your credit/ debit card details yourself.

I enclose a Cheque/ Postal Order for £..... Yes/ No.

I wish to pay via GoCardless (New Subscription)..... Yes/ No.

I wish to pay via GoCardless (Existing Subscription)..... Yes/ No.
