NSCC MEMBERSHIP RENEWAL FORM 2027

2027 Renewals (due by 31st December 2026) are:
£44.00 – UK
£52.00 – Europe
£60.00 – Rest of the World

The Club is keen for all members to now use SumUp for subscription renewals and indeed other payments such as Club cars since this is the most cost-efficient method for the Club. The Club has now switched over to SumUp as its preferred method of payment for 2027 for all card payments, but will still do GoCardless for existing memberships where already subscribed.

If you are already signed up for your automatic renewal with us via GoCardless you do not need to take any action and your renewal will be automatically taken in December and every subsequent year unless you instruct otherwise, but we would ask you still return this form so your details can be checked.

If you wish to pay via SumUp, please confirm below advising you wish to pay this way, you just need to confirm with a simple yes or no that you are happy for your membership subscription to be paid this way, and Andy Smith will contact you and arrange payment. Obviously if you do not have an email, or we do not have your email address on file or you simply do not wish to pay this way, you can still pay, as below for 2027 by cheque or as a last resort a Credit Card but please contact Andy Smith, who will then issue a SumUp invoice to avoid you providing credit Card details via post/ email.

Please note that GoCardless currently applies to U.K members only and cannot be done for Europe or the rest of the World but SumUp can be used for all overseas members.

The implementation of GoCardless and SumUp as a method of payment means you are advised via email of an invoice from the NSCC of payment required and can securely enter your Credit/ Debit Card details yourself.

I enclose a Cheque/ Postal Order for £…… Yes/ No.
